Goodwill Rescue Mission wouldn't be here without you!

After 121 years of providing compassionate care and life transformation programs for the homeless and poor in the greater Newark community, in 2016, Goodwill Rescue Mission united with The Bowery Mission in New York City to more effectively meet the growing needs in the New York Metro Area during a time of increased homelessness.

During a year of much change, your generosity provided a source of stability and steadiness for the Newark community. As a result, your compassion helped hundreds of hungry and homeless neighbors receive much-needed healing and renewed hope.

As you'll see in this 2016 Annual Report, your gifts helped to provide everything from hot meals and safe shelter to innovative recovery counseling and job training. I can say with certainty that hundreds of people in New Jersey have you to thank for their second chance at life.

Thank you for your commitment to caring for people in need in the greater Newark community. We are very grateful to count you as a partner of Goodwill Rescue Mission. I pray you find great encouragement as you see a glimpse of the life-changing difference you make.

Sincerely,

**The thought of my suffering and homelessness is bitter
beyond words. Yet I still dare to hope when I remember this:**

The faithful love of the Lord never ends.
